The Commitment Package

Explanation, Application and Agreement

Explanation...

Standard Commitment Package

Standard full fee for couples counseling is \$250/90 minute session.

If you and your partner are sincerely committed to attending 12 counseling sessions you can purchase The Commitment Package in advance for \$2400.

If for any reason I need to terminate our counseling relationship prior to the completion of those 12 sessions, the balance will be refunded in full.

If for any reason either party of the couple terminates our couples counseling relationship prior to the completion of those 12 sessions, the sessions that have been conducted will be billed at the standard fee and then the remaining balance will be refunded. For example, if a couple purchases The Commitment Package for \$2400 and then attends only 3 sessions and ends the counseling, I would subtract \$250 per session conducted (\$750) from the total and refund the balance.

Reduced Fee Commitment Package

You and your partner will first need to fill out a Reduced Fee Application and Agreement. Once your application has been reviewed, you've been extended a reduced fee amount and have signed your Agreement, you have the option of purchasing a Reduced Fee Commitment Package.

You take the reduced fee amount extended and multiply by 12 and then subtract 20%. For example, if you have applied and qualified for a reduced fee of \$125 per session you would multiply by 12 to get \$1500 and then subtract 20% (\$300) to get a total due \$1200 for 12 sessions.

Limited Schedule Slots/Wait-list and Referral Options

There are a designated number of Commitment Package and Reduced Fee slots in my schedule. After applying if it determined there is not an available slot in the schedule, you have the option of being placed on a wait-list OR I can provide a list of other therapists you may choose to contact.

Agreement...

If you are extended a Commitment Package we will work together to schedule one 90 minute session at least every 2 weeks if possible and you will be given homework to do together between sessions. Committing to the 12 session series means you are agreeing to show up on time for all scheduled sessions, participate fully and complete all homework assignments.

I have read the explanation, application and agreement criteria and am in agreement.
